{firstname.lastname}@sintef.no

**Abstract.** ~150 words expected. Will also be defined after the brainstorming phase. Must mention *(i)*the problem, *(ii)*the actual contribution and *(iii)*the obtained results.

## 1 Introduction

I'll write the introduction afterwards, when the content of the paper will be fixed.

- Cloud-computing research field [1]
- Model-driven engineering applied to the cloud

## 2 Running Example: Give it a name

### 3 Give it a name too

If the contribution does not fit in a single section, it can be divided into two sections.

## 4 Validation & Experiments

## 5 Related Works

## 6 Conclusions

I'll write the conclusions afterwards.
